Subject: RE: Pam Hill - United First National - 97 Links Ave Title

Good Afternoon

I have looked at the title to 97 Links Avenue.

The memorials in relation to the Petroleum Act, Atomic Energy Act, Geothermal Energy Act, Mining Act, and Coal Mines Act have all been repealed.

The noted part of the Conservation Act relates to the creation and public access to marginal strips such as the foreshore, railway lines and other crown land. Please let me know if you require any further information.
